

## **Bar Managers AGM Report 11/01/2026**

I would like to take this opportunity to thank all the bar volunteers, we had a few problems at times, but we managed to cover the summer season.

A big thank you to those who opened up the Club in the mornings, this was a great help.

Another big thank you goes to Neil for his canny buying, especially sourcing out the best deals on branded spirits. Also, a big thanks goes to Carolyn and Neil for the running of the honesty bar, there is a very good system in place, on the plus side we are not having to chase for payments, we finished with a healthy profit.

One last thing, we are open to suggestions for drinks which we currently don't sell, we are more than happy to give them a trial run.

Thank you  
Linda Stone
