Rink Booking System

The club has now purchased an online rink booking system that operates as part of the Match Booking System.

This allows members to book a rink online rather than having to go to the club house to book a rink. For this season, both the paper-based system and the online system will operate in parallel. Each Monday rinks booked online for that week will be added into the paper-based booking system and any paper-based bookings will be added into the online booking system. In the case of a clash, the relevant parties will be contacted to resolve the clash.

At the start of the season each Bowling member will be sent an email containing a link to the online booking system. Clicking on this link will allow access to the Rink Booking system for the entire season. Therefore, please save either the email containing the link or the link for use during the rest of the season. Clicking on the link will show a display as in the picture on the next page.

Clicking on the date (top left) will display a calendar to select the date that you want to book a rink for. All home matches will have already been entered into the system, so it should be easy to see which rinks are free when.

To book a rink, select the rink required and the desired start time. You will then be asked for how long the booking is for and why it is being booked (eg Club Competition or roll-up). Fill in the details and your rink will be booked. Should you later change your mind, then you can subsequently cancel your booking. Note that you can only cancel bookings you have made (not anybody else's). There will be some designated "greenkeepers", who can cancel anybody's bookings (for example to allow a County Match to be played). You will be informed by them should that happen.

If you want a demo, then please talk to one of the greenkeepers. The green keepers are: Gareth Jenkins; Carolyn Lofthouse; Irene Bradley; Ray Furnell and Ian Clarke.
